

# Flooding in Kootenay - Boundary Areas

Name: \_\_\_\_\_

Date: \_\_\_\_\_

## Creating a Call to Action

The Kootenay-Boundary areas of British Columbia are flooding. We need to inform the communities in the Kootenay-Boundary areas about flooding response and prevention! Each of you will create an informational text to persuade people in these communities, and beyond, to take action.

## **What do we need to know and do to be able to accomplish this?**

### Content & Curricular Competencies

1. We need to know how to persuade a community
2. We need to know how to present information effectively
3. We need to gather text to learn more about the issue
4. We need to respond to text to figure out our thinking about this issue
5. We need to design a text to present information about the issue to a targeted audience
6. We need to refine text to effectively create a call for action about the issue
